Drill Day: June 14th 2009

Dear: Firefighters,

Drill Day is just around the corner again, so start training and we will see you there!

Drill Day will be on Sunday, June 14th, 9AM at the Lexington Fire Station located on State Route 42 in the Town of Lexington.

If your department has a team and is planning on attending, please fill out the enclosed sheet and send an entry fee of \$25 to the Lexington Fire Company, or bring it to the captains' meeting.

The captains' meeting for drill day this year will be held on April 23rd at 7:30PM in Cairo at the Training Center. At the meeting we will go over the rules and if you have any questions, please bring them up.

Refreshments will be on hand along with plenty of water. Just a reminder that no alcohol is allowed on the premises, which is a Town of Lexington rule, so thanks for your cooperation in this matter.

We hope to see you on the Mountain Top for drill day this year! Thanks.

Sincerely yours,
