News from Greene County Family Planning

Greene County Family Planning is pleased and proud to announce the addition of Brenda Maccio, RN, MS, FNP to our team. With 32 years experience as an RN and 8 years as a Family Nurse Practitioner, Brenda comes to our department ready, willing and competent to care for our clients. She joins our team of Family Nurse Practitioners: Family Planning Program Administrator Laura Churchill, RN, MS, FNP-BC and Marianne Powers, RN, MSN, FNP-BC.

Prior to coming to Greene County Family Planning Brenda was employed by the Rensselaer County Health Department as a Family Nurse Practitioner. While there she developed and coordinated the Public Health Preparedness/Bioterrorism Program. Brenda also provided health care services to clients through the Rensselaer County Department of Health's Sexually Transmitted Disease clinic and to inmates at the Rensselaer County Jail. In addition she assisted with the supervision of the nursing division. Prior to becoming a Family Nurse Practitioner her nursing experience included emergency medicine, hospice care, intensive and critical care nursing.

Brenda's kindness, enthusiasm, knowledge, experience and sincere interest in the health and well being of our clients make her a very welcome member of our entire team of compassionate staff.

Greene County Family planning provides confidential, comprehensive reproductive health care to women, men and teens. Services include physical exams, breast and testicular exams, pap tests, contraceptives, HPV and Hepatitis A and B vaccinations,

HIV testing and counseling, STD testing and treatment and more! Most insurances, including Medicaid, are accepted. For those without insurance, services may be free or low cost. Call 518-719-3580 for more information or to make an appointment. Visit us online at www.greenecountyfamilyplanning.com. We care about YOU!
