**Dear Greene County Legislature:**

We are happy to report our 60<sup>th</sup> Anniversary celebration last year was a success. Adding extra entertainment to include a couple local groups and some old time favorites turned out to be a positive reception from the fair goers. We also brought back some alumni to participate in fun activities and to encourage them to share memories from the years past. A big thanks goes out to all of you for your financial support and for coming to our opening ceremonies each year. The kids love seeing all of you and knowing how much their efforts throughout the year are acknowledged.

This coming year we have repairs to make on some of our livestock equipment and we are looking to transform our trade and ag tent into a more inviting atmosphere. Our efforts now are into gathering donations and contributions to make this happen. We love when it all comes together in July, but the work the volunteers put in all year is tremendous. We just want you to understand how much your support is appreciated and we look forward to seeing you all in July!

**Sincerely,**

**Greene County Agricultural Society**
