- ▶ Cases in 198 countries
- ▶ Sustained community spread with level 2 & 3 travel warnings
- ▶ Travelers to these areas are at increased risk of exposure
- ▶ It is important to note that at this time due to limited testing capability, the number of positive cases may not fully reflect current illness.
- ▶ USA: 79,082 cases / 1,143 deaths
- ▶ New York State has 37,258 cases / 385 deaths
- ▶ Greene County has 9 positive cases located in Windham, Durham, Greenville, Hunter, and Cairo. 38 individuals are being self-monitored for possible exposure.

Greene County Public Health is taking every measure to manage exposure to County residents including monitoring people post travel and those that have been exposed. We are monitoring people in both precautionary and mandatory quarantine daily. We have 9 positive cases and most are convalescing at home with one hospitalization. Currently, testing is limited to those with symptoms and positive exposure.

For general information including testing please call the Greene County Call Center at 518-635-5165 or visit the [COVID-19 Response page on our website](#).
