Moving Our County Forward

## COVID-19 UPDATE

(Johns Hopkins, CDC, NYSDOH)

March 28, 2020

- ▶ Cases worldwide total 656,764 / total deaths 30,398 / total recovered 141,419
- ▶ Cases in 199 countries
- ▶ Sustained community spread with level 2 & 3 travel warnings
- ▶ Travelers to these areas are at increased risk of exposure
- ▶ It is important to note that at this time due to limited testing capability, the number of positive cases may not fully reflect current illness.
- ▶ USA: 119,682 cases / 1,988 deaths
- ▶ New York State has 52,318 cases / 728 deaths
- ▶ Greene County has 11 accumulative positive cases located in Windham, Durham, Greenville, Hunter, Cairo and Catskill. 3 cases that tested positive have been cleared and given the status of "discharged", leaving 8 active positive cases. Currently 81 individuals are being self-monitored for possible exposure with 8 additional cases that have been released from quarantine status.

Greene County Public Health is taking every measure to manage exposure to County residents including monitoring people post travel and those that have been exposed. We are monitoring people in both precautionary and mandatory quarantine daily. We have 11 accumulative positive cases and most are convalescing at home with one hospitalization. Currently, testing is limited to those with symptoms and positive exposure.

For general information including testing please call the Greene County Call Center at 518-635-5165 or visit the [COVID-19 Response page on our website](#).

### TAKE AWAY MESSAGES:

- Get a flu vaccine
- Wash your hands, don't shake hands
- Stay 6 feet away; can go outside to bike, walk. If you must wait in line, distance self
- Practice cough and sneeze etiquette
- Wipe high touch surfaces
