Moving Our County Forward

## COVID-19 UPDATE

(Johns Hopkins, CDC, NYSDOH)

March 30, 2020

- ▶ Cases worldwide total 769,952 / total deaths 36,938 / total recovered 160,243
- ▶ Cases in 200 countries
- ▶ Sustained community spread with level 2 & 3 travel warnings
- ▶ Travelers to these areas are at increased risk of exposure
- ▶ It is important to note that at this time due to limited testing capability, the number of positive cases may not fully reflect current illness.
- ▶ USA: 156,478 cases / 2,872 deaths
- ▶ New York State has 66,497 cases / 1,218 deaths
- ▶ Greene County has 20 accumulative positive cases located in Windham, Durham, Greenville, Hunter, Cairo, Catskill, Athens and Coxsackie. 4 cases that tested positive have been cleared and given the status of "discharged", leaving 16 active positive cases. Currently 87 individuals are being self-monitored for possible exposure with 22 additional cases that have been released from quarantine status.

Greene County Public Health is taking every measure to manage exposure to County residents including monitoring people post travel and those that have been exposed. We are monitoring people in both precautionary and mandatory quarantine daily. We have 20 accumulative positive cases and most are convalescing at home with 3 hospitalizations. Currently, testing is limited to those with symptoms and positive exposure.

For general information including testing please call the Greene County Call Center at 518-635-5165 or visit the [COVID-19 Response page on our website](#).

### TAKE AWAY MESSAGES:

- Get a flu vaccine
- Wash your hands, don't shake hands
- Stay 6 feet away; can go outside to bike, walk. If you must wait in line, distance self
- Practice cough and sneeze etiquette
