

GREENE GOVERNMENT NEWS

Moving Our County Forward

COVID-19 UPDATE (Johns Hopkins, CDC, NYSDOH)

April 28, 2020

- ▶ **Cases worldwide total 3,112,812 / total deaths 215,492 / total recovered 944,618**
- ▶ **Cases in 210 countries**
- ▶ **Sustained community spread with level 2 & 3 travel warnings**
- ▶ **Travelers to these areas are at increased risk of exposure**
- ▶ **USA: 1,024,375 cases / 58,123 deaths**
- ▶ **New York State has 300,334 cases / 22,866 deaths**
- ▶ **Greene County has 124 accumulative positive cases located in Windham, Durham, Greenville, Hunter, Cairo, Catskill, Athens, Coxsackie, Halcott and New Baltimore.**

Greene County Public Health is taking every measure to manage exposure to County residents including monitoring people post travel and those that have been exposed. We are monitoring people in mandatory quarantine daily.

Every county requests test kits from New York State. The kits provided directly to Greene County are only a portion of the tests being administered to county residents. Residents tested outside of Greene County are included in the overall county numbers issued by New York State.

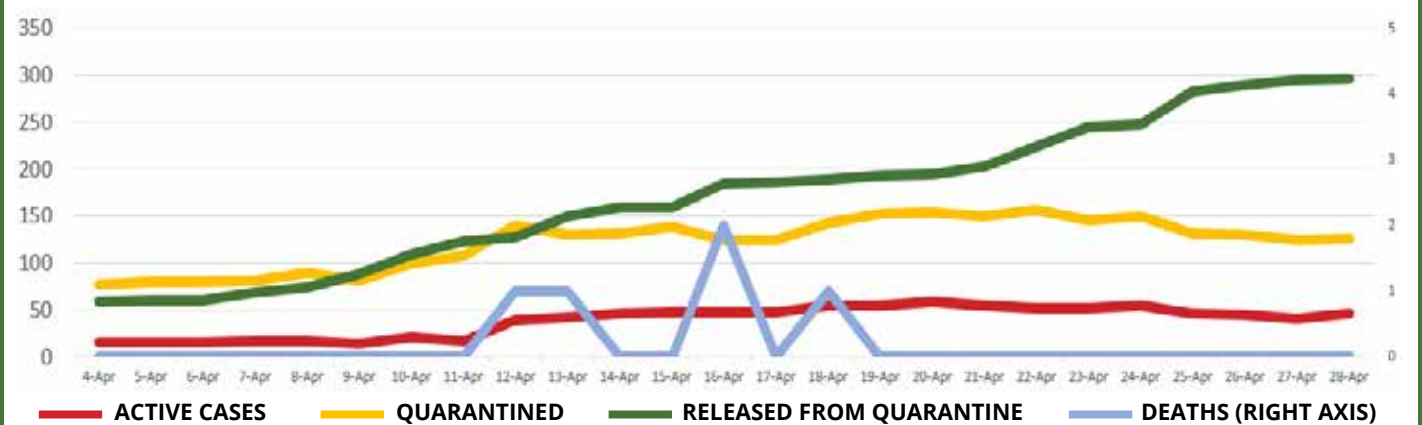

Greene County Public Health is prioritizing testing to the most vulnerable people in our community and their care givers. We have been working with Home Sweet Home, The Pines, The Elliot and the Greene County Dialysis Center to screen staff and residents/patients, and are in communication with Green Meadows to provide screening there when additional tests are available. Test kits have also been provided to Columbia Memorial Hospital for screening of symptomatic community residents.
