

GREENE GOVERNMENT NEWS

Moving Our County Forward

June 1, 2021

Be Part of the Solution !

Greene County has initiated a broadband and cellular communications project to identify households and businesses without access to fiber or coaxial broadband service and to formulate a technical solution and its estimated cost to providing service.

Please Complete the Survey by August 31!

If You **HAVE** Internet Service at Your Home or Business:

Go to <https://www.greenebroadband.com/> from your computer and click on the 'Speed Test & Survey' button

Welcome to the Greene County New York Broadband Availability and Adoption Initiative.

During this past year, we learned how much our personal and economic well-being relies on access to strong, affordable Internet access. Communities across the country understand that Internet access is crucial to support jobs, education, health care and economic growth.

PLEASE return all paper surveys by August 31, 2021 to:

Greene County Department of Economic Development, Tourism & Planning
411 Main Street, Catskill, NY 12414

"Access to Broadband Internet is as important to our rural Greene County communities today as access to electricity was 100 years ago – It's essential to how we live, work and learn."

– Patrick S. Linger, Chair – Greene County Legislature
