# ANNUAL REPORT

For  
2021

In 2021, despite continued COVID-19 inhibiting circumstances, the Greene County Probation Department continued to provide mandated services to adults and juveniles in the community. Unfortunately, the pandemic continued to cause a significant slowdown in the operation of courts in the state, which contributed to a decline in work sent to this department. Over the year, the department received 127 new adult probation sentences/interim probation placements from Greene County courts, and another 24 as transfers from other jurisdictions, including out-of-state. The 127 were an increase from the 99 received in 2020, but still down from the 228 in 2019. Of the 127 new local cases received, 28 were interim probation terms. In most instances, the successful completion of an interim supervision term results in a lesser sentence ultimately imposed, and, possibly, a lesser ultimate conviction. In addition, 8 formal juvenile probationers were received, and another 3 in an informal capacity, after having been referred by the family court. At the end of the year, we were supervising 221 criminal court probationers, many of whom were serving more than one probation sentence. Of those 221 offenders, 88 were felons, a drop of 18 from the end of 2020. It should also be noted that, during the early part of 2020, this department fully transitioned persons in need of supervision (PINS) diversion efforts to the Greene County Department of Social Services, with that department now the designated “lead agency” for PINS diversion, under the NYS Family Court Act. Therefore, we are limited to supervising PINS activity that has reached the formal family court stage.

While the caseloads are significantly reduced from the highs experienced in the early 2010’s, it must also be pointed out that the epidemic of opiate and other substance abuse continues to impact the workload. A large number of offenders continue to demonstrate significant drug abuse issues. Unfortunately, the COVID crisis has continued to make it difficult for many offenders to obtain assistance, as treatment facilities either reduced the number of people that they were seeing, or outright stopped taking new admissions.

Where appropriate, supervision included the requirements that offenders: maintain employment, pay restitution, engage in available educational, vocational, and/or treatment programs, provide urine or breath samples (supervised by probation officers); and submit DNA samples (collected by this department and forwarded to the state repository), in order to remain at liberty. 2021 saw the continuation of the ignition interlock device requirement for DWI probationers who own or operate a vehicle, even if they have lost their driver’s licenses. While, similarly to the statewide occurrence, most Greene County probationers sentenced under “Leandra’s Law” have avoided the interlock requirement by having disposed of their vehicles, this department’s officers remain responsible for reviewing those cases to ensure that offenders have disposed of the vehicles as claimed, with the offenders required to submit affidavits to support their claims, and as required by a law change late in 2013, state under oath in court that they had disposed of the vehicle. Reimbursements totaling \$2,207.04 were received in 2021 from the NYS “Leandra’s Law” grant for DWI probation cases received by this department, to help

pay for ignition interlock device monitoring requirement. Per arrangement with the Greene County Sheriff's Department/STOP-DWI, this department also submits the state reports for their monitoring of DWI cases that resulted in offenders being sentenced to a conditional discharge (possibly in conjunction with a jail or prison term), which resulted in \$2,390.96 in additional reimbursement to that office, for a grand total of \$4,598, a decrease of only \$14.29 from 2020.

In 2021 the department's main DWI (senior probation) officer, with the assistance of other officers/department members and the Greene County Sheriff's Department/STOP-DWI program and the District Attorney, continued the DWI victim impact panel, to further educate those offenders as to the effect their conduct has on others. Offenders who attended the panel were required to pay a \$35 fee each, which went toward STOP-DWI operations. Late-paying offenders were charged \$50. Thanks in no small part to the District Attorney's Office expansion of those required to attend the panel to include not only DWI offenders, but also drug offenders, income from the 3 victim impact panels held in 2021 totaled \$6,935. All panels in 2021 were held "virtually." COVID restrictions continued to prohibit the regular in-person programs that have been done at local high schools during prom season.

In addition to the formal, i.e., court ordered, supervision cases, 2021 saw a total of 37 juvenile cases referred to the department. Because of the PINS diversion changes, all of the matters involved Juvenile Delinquency offenses (which now include matters involving youth from 7-17, inclusive, for what would be crimes if they were adults). A total of 12 cases were successfully diverted from the family court system through participation with the department's intake/diversion supervision program. For juvenile delinquency matters, a successfully diverted case is the legal equivalent of a court dismissal. The "Raise the Age" initiative implemented in the last quarter of 2018 continues to produce little impact for the department, given the relatively low number of arrests for offenders in that category. 4 cases were actively handled by the department after initial prosecution in the Youth Part of the Greene County Court and the matter then having been referred to the Family Court, and then to our office for intake/diversion services. Continued COVID-caused remote schooling resulted in the primary juvenile officer having to make extra effort in getting offenders to complete school work, given the unfortunate lack of adequate parental supervision in a lot of instances.

Another significant part of this department's tasks include the preparation of pre-plea/pre-sentence/certificate of relief from disabilities (criminal court) and pre-dispositional (family court) investigations/reports. These reports, which require a probation officer to make assessments of an offender based on legal history/delinquent behavior and social circumstances, are utilized by the courts as an aid in determining which offenders should remain in the community and which should have certain privileges, which were lost as a result of their convictions, restored. In 2021, 158 investigation cases were opened, and 116 completed/closed

(including some having been ordered in the prior year) for the criminal courts. One probation officer completed the bulk of the pre-sentence investigations, as their primary task. The primary juvenile officer remains highly involved in the family court process, from initial referral through formal adjudication, and in most instances, as a result of the involvement, a possible pre-dispositional investigation is waived by the court. Consequently, our number of the latter investigations remains quite low, with only 2 completed in 2021.

The department also continued to oversee an Alternatives to Incarceration (ATI) program, which placed a variety of offenders at community service work sites throughout the county, as ordered by the various criminal courts. This year saw 8 individuals assigned to the work sites, with 15 (which included ones referred in 2020) having satisfactorily completing their obligations. A total of \$5,847.76 was received in total, with \$3,220.54 being payments for 2020 claims, as the state contract, which runs from July 1 to June 30, wasn't renewed until early in 2021. In addition to reducing the cost of confining such offenders, their presence at the work sites helped to show the community that offenders are being held accountable for their actions. A probation assistant oversees the program for the department. In addition to that aspect of Alternatives to Incarceration, the department's utilization of various forms of electronic devices, including transdermal alcohol monitoring, resulted in a total of 40 offenders (15 with transdermal alcohol monitoring and another 25 (including 1 juvenile) with GPS monitoring. The offenders had such devices for a total of 3,607 service days (2,066 - transdermal, 1,541- GPS) which, at a would-be jail rate of \$85/day, amounts to projected savings of \$306,595 (\$175,610 -transdermal, \$130,985- GPS). Senior probation officers, primarily, oversee this aspect of alternatives to incarceration.

The collection of restitution also remained a significant activity for the department. This obligation not only includes the collection of restitution from people who are under our direct supervision, but also from those who have been incarcerated/released on parole or have been otherwise conditionally discharged and still obligated to pay, despite no other tie to this department. In 2021 we opened 11 adult restitution cases, either as a condition of probation or simply as the designated restitution collection agency for Greene County, regardless of the sentence; and 3 juvenile cases. For the year, the department collected a total of \$66,494.28 in criminal restitution/surcharge to Greene County. Additionally, another \$1,603.75 was collected from juvenile offenders. By statute, juvenile restitution does not include a surcharge. For 2021, \$14,782.86 in collected restitution was payable to public or non-profit agencies, including \$1,530 in welfare fraud reimbursement. The surcharge, which, in this county, is collected after a victim has been made whole, is paid by this department to the Greene County Treasurer. For 2021, that amount was \$3,480.34.

The department continued to participate in a variety of collaborative efforts designed to enhance services to those in need. Those efforts, both in the juvenile and adult spheres, included

the Greene County (criminal) Drug Treatment Court program, to which a probation supervisor has been assigned and for many years has been a valuable asset to the Drug Court team; the Single Point of Access for troubled youth, and participation in the local Child Abuse Review Team meetings. Due to COVID restrictions we were unable to hold the jointly (licensed psychologist and probation supervisor) monitored sex offender treatment groups. Polygraph examinations for certain sex offenders were continued in 2021. At year's end we had 10 registered sex offenders under supervision, of which 4 were either Levels 2 or 3. The probation supervisor assigned to the sex offender caseload is required to personally verify an offender's address on a quarterly basis, at least, depending upon the offender's risk level.

The 2020 NYS "bail reform" initiatives has resulted in this department designated to perform pre-trial supervision for certain offenders. Some of those ordered to participate in pre-trial services were required to have either a GPS tracking device or a transdermal alcohol monitoring device, with the County entering into arrangements with a private vendor for them to provide the devices, at County cost. Prior to these initiatives, the use of such devices was at expense of the offenders. In 2021 40 offenders were ordered to participate in pre-trial services, with 31 of those ordered to have electronic monitoring. County cost for the devices was \$17,789, with a small part of that cost involving a family court matter.

The attachments to this narrative should help to understand the level at which the department operated during the year 2021, with 2020 comparisons.

Respectfully Submitted,

A handwritten signature in blue ink, appearing to read "Alan Frisbee".

Alan Frisbee  
Probation Director

April 1, 2022

**ALTERNATIVES TO INCARCERATION (COMMUNITY SERVICE)-2021**

8 adults were assigned to perform community service, 15 completed their assignments\*\*

\*\* The New York State Office of Probation and Correctional Alternatives/Division of Criminal Justice Services provide different levels of reimbursement for each assigned adult and each completed adult. For 2021 the department received \$5,847.86 in reimbursement. Of that amount, \$3,220.54 were funds tied to 2020 that weren't received until 2021, due to the program contact having expired in mid-2020, but not renewed by NYS until 2021, leading to a reimbursement delay. Certain offenders who completed in 2021 had entered the program in 2020.

**ALTERNATIVES TO INCARCERATION (COMMUNITY SERVICE)-2020**

18 adults were assigned to perform community service, 14 completed their assignments\*\*

\*\* The New York State Office of Probation and Correctional Alternatives/Division of Criminal Justice Services provide different levels of reimbursement for each assigned adult and each completed adult. For 2020 the department received \$1,230.16 in reimbursement. Certain offenders who completed in 2020 had entered the program in 2019.

**ALTERNATIVES TO INCARCERATION (ELECTRONIC MONITORING)-2021**

40 offenders (15 transdermal alcohol monitoring, 25 GPS), 3,607 service days (2,066 transdermal, 1,541 GPS), which, at a would-be jail rate of \$85/day, amounts to projected savings of \$306,595 (\$175,610 transdermal, \$130,985- GPS)

**ALTERNATIVES TO INCARCERATION (ELECTRONIC MONITORING)-2020**

25 offenders (20 transdermal alcohol monitoring, 5 GPS), 3,295 service days (3,047 transdermal, 248 GPS), which, at a would-be jail rate of \$85/day, amounts to projected savings of \$280,075 (\$258,995 transdermal, \$21,080 GPS)

**IGNITION INTERLOCK DEVICE MONITORING- 2021**

\$2,207.04 was received, via the NYS Governor's Traffic Safety Grant, for probation cases, and another \$2,390.96 by the Sheriff/STOP-DWI for conditional discharge cases, for a total of \$4,598.

**IGNITION INTERLOCK DEVICE MONITORING- 2020**

\$2,167.77 was received, via the NYS Governor's Traffic Safety Grant, for probation cases, and another \$2,444.52 by the Sheriff/STOP-DWI for conditional discharge cases, for a total of \$4,612.29.

**VICTIM IMPACT PANEL - 3 panels held each year****2020****2021**

\$6,360

\$6,935

These amounts include additional donations made by offenders beyond the standard \$35 (or, if late, \$50) fee.

**Department Revenues 2021**

Restitution surcharge	\$ 3,480.34
Probation Officer- DWI (partial salary)	\$ 0
STOP-DWI- ATI/Community Service (partial salary)	\$ 0
State Block Grant	\$122,328
DOCCS pre-sentence investigation reimbursement	\$ 509.53*
Ignition Interlock supervision reimbursement	\$ 2,207.04
Bail poundage	\$ 21
NYS Community Service reimbursement	\$ 5,847.46**

\*Reimbursement for 2020 cases

\*\*Includes \$3,220.54 received from 2020 claims, with contract not renewed until early 2021

**Department Revenues 2020**

Restitution surcharge	\$ 4,805.95
Probation Officer- DWI (partial salary)	\$ 31,000
STOP-DWI- ATI/Community Service (partial salary)	\$ 19,000
State Block Grant	\$ 122,328
DOCCS pre-sentence investigation reimbursement	\$ 2,549.62
Ignition Interlock supervision reimbursement	\$ 2,167.77
Bail poundage	\$ 164
NYS Community Service reimbursement	\$ 1,869.24**

\*Reimbursement for 2019 cases

\*\*Reimbursement for ½ of the year, as contract expired on 6/30/20 and wasn't renewed until early 2021

**DRUG TESTS CONDUCTED -2021\* \*\***
