

Use Condomsense

GREENE COUNTY FAMILY PLANNING
411 MAIN STREET, CATSKILL NY 12414

CONDOMS & MORE VISIT US ON THE THIRD FLOOR!

Fun Facts about Condoms!

- When it comes to HIV, using a condom makes sex 10,000 times safer than not using a condom.
- There is no medical reason why someone can't use a condom. Even people with latex allergies can use them — there are latex-free condoms made of polyurethane and polyisoprene.
- 450 million condoms are sold each year in the United States
- The average person with a penis will ejaculate 14 gallons of semen over their lifetime!

CONDOMS STI PROTECTION

Condoms, when used consistently and correctly, are highly effective in preventing sexually transmitted infections (STIs)

CONDOMS TYPES OF BARRIER METHODS

- Male Condoms
- Female or Internal Condoms
- Dental Dam
 - (Flavored sheet used for oral sex)
