AGING SERVICES (PAGES 3 - 14)

EXPANDED IN-HOME SERVICES FOR THE ELDERLY PROGRAM (EISEP)

The overall goal of the program is to improve access to, and the availability of, appropriate and cost-effective non-medical support services for older adults who are not eligible for services through Medicaid. EISEP assists older adults who need assistance with Activities of Daily Living (ADLs) such as dressing, bathing, personal care, and Independent Activities of Daily Living (IADLs) such as shopping, cooking, and who want to remain at home. Depending on the participant's income, there may be a cost associated with this program. Private contributions are provided through cost sharing which begins at 150% of the poverty level. The amount of cost sharing increases proportionately with income.

Who is Eligible?

Individuals who are at least 60 years old, and

- * Need help with Activity of Daily Living (ADL) or 2 Instrumental Activities of Daily Living, (IADL)
- * Able to be maintained safely at home,
- * Not be a Medicaid recipient.

An essential part of the EISEP program is case management. The program's case managers utilize standardized screening elements to identify needs and wishes of eligible individuals and their families and provide options on services and supports that are available to address their identified needs and wishes. Linkages to services may include non-medical in-home services, non-institutional respite, ancillary services and other services.

*This program is made possible through funds from the NY State Office for the Aging, NY Connects, Administration for Community Living, and the generous support of the Greene County Legislature. Contributions are gratefully accepted and used to expand programs and services. **No person will be denied service if they are unable or unwilling to contribute.** All contributions are confidential.*

For individuals with disabilities or language interpretation needs, requests for reasonable accommodations should be made with at least five days' notice.

HOME ENERGY ASSISTANCE PROGRAM

*Only open during the winter heating season,
November through March*

HEAP helps low-income New Yorkers pay their energy bills. If your bills are more than you can handle and your source of heat is Electricity, Propane, Natural Gas, Wood/Wood Pellets, Oil, Kerosene, Coal, or Corn, HEAP may be able to help you.

To be eligible for HEAP, applicants must be US citizens or qualified aliens **and** meet HEAP income guidelines (see below for 2023-2024 Federal Income Guidelines*, effective through June 30, 2024) and pay directly for heating costs or pay rent that includes heating costs. HEAP benefit amounts will vary depending on your household income and may be available if your heat is included in your rent. HEAP benefits will assist in paying heating bills and are not intended to be the total source of payment for winter heating expenses.

Income Eligibility Guidelines *		
HH Size	Tier I	Tier II
1	0 - 1,579	1,580 - 3,035
2	0 - 2,136	2,137 - 3,970
3	0 - 2,693	2,694 - 4,904
4	0 - 3,250	3,251 - 5,838

*For larger households, please contact our office.
⇒ Federal Income Eligibility Guidelines are subject to change annually.*

When applying for HEAP, applicants must provide all required documentation verifying identification of all household members, address, income, SS#, vendor relationship and vulnerability (age or disabled).

Regular HEAP benefits open in November each year with eligibility and benefits based on income, household size, the primary heating source and the presence of a household member who is under age 6, age 60 or older or permanently disabled. An eligible household may receive one regular HEAP benefit per program year. Regular benefits for households that pay directly for heat based on actual usage are paid directly to the vendor that supplies the household's primary source of heat.

A HEAP emergency benefit component assists individuals who are facing an energy-related emergency, such as a utility termination notice or less than a quarter tank/ten-day supply of fuel. If you are eligible, a HEAP emergency benefit may be issued in addition to your regular HEAP benefit, if the regular benefit has been exhausted.

NUTRITION PROGRAMS

MEALS, EDUCATION, COUNSELING & SPECIAL PRESENTATIONS

Adequate nutrition plays a central role in keeping us healthy. Many older Americans are not eating well. Those who live alone may find cooking too much trouble. Some may have difficulty getting to the grocery store. Others simply cannot afford to buy the kinds of food that could keep them healthy.

The Greene County Department of Human Services' Aging Department provides nutritious meals for seniors **60 years of age and older**.

Home-bound clients can have their meals delivered directly to their house, if they qualify. Other area seniors who are looking for social interaction and are able to travel, can visit one of our senior service sites for a **Con-gregate Meal**.

The meals that we serve are designed to meet one third of the daily requirements for good health.

*This program is made possible through funds from the NY State Office for the Aging, NY Connects, Administration for Community Living, and the generous support of the Greene County Legislature. Contributions are gratefully accepted and used to expand programs and services. **No person will be denied service if they are unable or unwilling to contribute.** All contributions are confidential.*

For individuals with disabilities or language interpretation needs, requests for reasonable accommodations should be made with at least five days' notice.

Sometimes you may need meals for a short time because you just got out of a hospital and can't make meals until you recover. Or, you may need meals for a longer time because you can't do many of the things you did for yourself before. Greene County residents, age 60 and older, who can't prepare meals for themselves are brought healthy, nutritious, balanced meals to their residence, up to five days a week. Up-to-date information about healthy eating, wellness and healthy habits is given out to those who get meals. Our registered dietitian can help any older person with questions about diabetes, weight loss or gain and healthy eating in private nutrition counseling.

Who is Eligible? Greene County residents, age 60 and older. A referral can be made by a senior or anyone who feels that the meals may be beneficial to a senior. Simply call the department and ask to make a referral for home-delivered meals.

How Do You Get Meals Started? After we take your referral, a Case Manager will contact the senior and make an appointment to conduct a home visit. As part of the visit, an assessment will be completed. The same client interview that helps find out if you are eligible for home delivered meals will show other helpful services and programs we offer for older people. Once the assessment is completed, meals may be started. If there are no openings at the time of the referral, the senior is placed on a wait list. As soon as an opening is available the assessment is completed and meals can be started.

What does it cost? There is no charge for meals but each person is given a chance to make a suggested voluntary contribution. All contributions help to keep our program available and serve more people. Self-addressed, postage paid envelopes are provided for contributions.

What if I know I won't be home when my meal is delivered? Volunteers assist by delivering the meals Monday through Friday (except holidays) throughout Greene County. If you are unable to be home to receive your meal, you are required to call the office, **by 9:00 a.m. that day**, at (518) 719-3555 to cancel your meal.

*This program is made possible through funds from the NY State Office for the Aging, NY Connects, Administration for Community Living, and the generous support of the Greene County Legislature. Contributions are gratefully accepted and used to expand programs and services. **No person will be denied service if they are unable or unwilling to contribute.** All contributions are confidential. For individuals with disabilities or language interpretation needs, requests for reasonable accommodations should be made with at least five days' notice.*

Volunteer Services

Americans 55+ have a lifetime of experience to share and the desire to make a real difference in their world. Now they are ready to put their unique talents and expertise to work in their communities, and enrich their own lives in the process. AmeriCorps Seniors can help those connect with others that need them the most. Together, they nationally link more than 500,000 Americans to service opportunities. Their contributions of skills, knowledge, and experience make a real difference to individuals and community organizations throughout the U.S.A.

Senior volunteers make a contribution that suits their talents, interests and availability. Some serve in teams while others go it alone. Everyone has unique gifts to share and our volunteers make significant contributions by putting their best talents to work. The high number of senior volunteers and their level of commitment make them an essential resource in meeting critical community needs.

AmeriCorps Seniors volunteers must be 55 years of age or older and willing to serve on a regular basis. They can choose how, where, and when they want to serve, with time commitments starting from as little as an hour a week. As a volunteer, you will receive pre-service orientation and training from your volunteer station. AmeriCorps Seniors volunteers are not paid any wage or stipend, but can be reimbursed for mileage expenses incurred.

When you volunteer, you're not just helping others - you're helping yourself. Volunteering leads to new discoveries and new friends. Plus, studies have shown that volunteering helps you live longer and promotes a positive outlook on life. Research suggests that volunteering is particularly beneficial to the health of older adults serving 100 hours annually. It also suggests that volunteering leads to lower rates of depression in individuals 65 and older. Helping others makes people healthier and happier. Of course, please note, we welcome volunteers of any age!

Through the Department of Human Services, AmeriCorps Seniors offers the following volunteer opportunities :

Pre-PINS?

This is a voluntary assessment of behaviors, consequences, goals and options. Working with the family this program will help you develop a plan that will prevent you from entering the Diversion Program at Greene County Department of Social Services..

PINS Diversion?

This is also a voluntary process similar in scope to Pre-PINS, This is done by a Case Worker from the Greene County Department of Social Services.

PINS Petition?

This is a document that brings the PINS behavioral issues to Family Court. This is an action of last resort. All voluntary efforts have failed and /or the safety of the child or others is in question. You no longer get to decide - a judge does.

PROCESS?

Parents, Guardians, Schools, Law Enforcement may make a referral to this program. A meeting will be scheduled with the parent, child and referral source to address the issues at hand. You must first complete the Pre-PINS process with the Youth Bureau before PINS Diversion or a PINS Petition is acted upon.

THEN WHAT HAPPENS?

If a petition is filed with the court, your involvement is no longer voluntary. All decisions are made by Family Court. Your child may be placed on Probation for 1 year with mandatory conditions imposed on **both the parent/guardian and the child**. Your child may be taken away from you and placed in a foster home or facility. During this time you will be expected to pay child support to the county. The Court may determine that the parent/guardian is neglectful and will hold them accountable for their actions as well as inactions.

ROLES /RESPONSIBILITIES

Parents/Guardians will be a part of the effort to identify their child's needs and work toward securing the necessary preventive services and behavioral changes needed for a successful outcome. Probation coordinates the process and addresses all matters where the voluntary resources have been tried and been unsuccessful.

This program is made possible through funds from the NY State Office of Children and Family Services and the generous support of the Greene County Legislature.
